## ABOUT YOUR HOST

Terry is the Consummate Golf Professional. He has published over 500 articles and three successful golf instructional DVD's. The "Doc" has been an invited guest speaker on The Golf Channel, Peter Kessler's "Making the Turn" on Sirius Radio, as well as John Oakley on Talk 640 Radio in Toronto. He was a headline guest speaker with the late Ken Venturi and Billy Casper, as well as Jason Zubeck and Hank Haney, at The North Coast Golf Shows throughout the USA.

Terry is a graduate of BGSU of Ohio, where he attended on a hockey, track and field scholarship. He graduated with a degree in Kinesiology.

While playing the Canadian Tour, Terry established The Canadian Tournament Players Division and has continued to have a successful competitive and coaching career. Through his mentoring "The Doc" has guided many students to successful professional careers in golf, business and life.

His most admired contribution to golf, as acknowledged by his peers, is his ability to analyze the "why" of a flawed golf swing or thought and make the appropriate correction. Over the years, Terry has combined his competitive career, educational background, Christian upbringing and 45+ years of coaching, to develop a system that embraces the most elusive aspect of golf: CONSISTENCY!

Come and see how Terry and his staff can help you play consistent and more enjoyable golf.
